Local Amenities

Otter Lake: This very popular 6km long lake covers about 290 hectares(716 acres) at an elevation of 823 m (2700 ft.) It is a great recreational lake for swimming, water-skiing and fishing for laketrout, rainbow, brook trout and kokanee. The town of Tulameen is located at the west end of the lake and the Provincial campsite borders the east side. A scenic 2 hour bike ride will take you around the lake, along the Trans Canada Trail, and stopping for ice-cream in Tulameen.

Princeton: Has a population of approximately 2,800 in the town and about 5,000 in the area. The town has 17 restaurants, six gas stations, a supermarket, several convenience stores, pharmacy, museum, library, hospital and medical clinic. There are many recreational services such as a nine-hole golf course, horse race track, rodeo grounds, swimming pool, bowling alley, curling rink and arena, the Snowpatch Ski Resort, China Ridge Cross Country Ski Trails and excellent camping facilities. The Similkameen and Tulameen rivers, along with more than 100 lakes, offer outstanding trout fishing. Locals say you can fish "a lake a day as long as you stay".

Tulameen: Sits between the eastern bank of the Tulameen River and the Southern end of Otter Lake. There are about 250 residents here but this number grows in the summer months. The Tulameen General Store has gas pumps and food. There is also a restaurant, post office, liquor store, video rentals, bike rentals (Crossroads Bike Rentals), community centre, outdoor skating rink, library, volunteer fire department, and skidoo dealer & repair centre.

Directions From Princeton:

Drive down Princeton's main street (Bridge Street). Ignore the sign to turn right to Tulameen. This will take you on a longer route. Instead just stay on the main street through town and cross the river on the old wooden one-way bridge. Turn sharp left, follow the signs to Tulameen. At Tulameen stay on the main road going north through town along the west side of the lake. You'll find us about a mile past Tulameen on the Lake side.
